

STREAMLINE
SOLUTIONS

Take Control!

Now you can own your hamper stands, while reducing your linen bag costs.

Higher-quality, more durable hamper stands with metal lids.

Introducing the Streamline Solutions Ownership Program

This special program puts you in full control of your linen bag and hamper stand management. Plus, it upgrades the quality of both.

You will now own your hamper stands. They are yours and you will never have to return them. No need to fill out capital expense requisition forms ever again.

You will have the right bags for your needs – and at a lower cost

- The highest quality bags available in the healthcare marketplace
- Works great with heavy and wet loads
- All colors, sizes and materials available
- Regular and draw-tape versions
- Stock and custom bags available to meet your specific needs
- Printed and non-printed
- All bags work perfectly with our laundry hamper stands

You will say goodbye to long-term contracts, and we'll even help you resolve any current contracts you have with other vendors.

Full Control Starts with a Single Phone Call:

Call us today and let us give you all the details about how the Streamline Solutions Program empowers you to manage your bags and hamper stand program your way!
