BENEFITS

of Disposable Curtains

Hygiene
Designed with a strong material that prevents the growth and transportation of bacteria.

Time Efficiency
In just minutes you can replace the used Disposable Curtains with new ones.

Installation
Installing Disposable Curtains is made to be easy. Our curtains are made to fit most existing tracks.

Removal
Disposable Curtains will help you get in and out of rooms to remove curtains at a quick pace.

Weight
Known to be lightweight and durable, these Disposable Curtains can be moved, stored and installed with ease.

Record Keeping and Self Audit Labels
All disposable curtains have the date labels to create an audit trail for your own compliance systems.

Appearance
No other company offers the same crisp and fresh Disposable Curtains in numerous color options.

Fast Delivery / Lead Time
If stock is available, 24 to 48 hours.
If pattern is from on back order, please allow 3 months for delivery or offer In-House stock.

Disposable
Streamline Solutions Disposable Curtains are 100% recyclable.

Fire Safety
All Streamline Solutions Disposable Curtains are fire retardant and meet NFPA 701 testing
(U.S.A. & Canada).

Packaging
The curtains are packaged separately to provide the highest level of clean, sterile, and safe products.

Laundering
No laundering is necessary. All Curtains are disposable and therefore offer 100% savings in laundering costs.

Cost
Disposable cubicle curtains are more cost effective than traditional curtains due to savings on certain features.

- Low purchase cost
- No maintenance cost
- No laundry cost

Management
Disposable cubicle curtains are easy to manage, install, use, and order.

Environment Impact
Disposable curtains can be recycled, a far more environmentally friendly alternative to washing.

Size Available
Available in :
Traditional Curtains = 100"x100" & 200"x100".
Snap Curtains = 66"x66" panels. Length can be tailored at your request
