First in Quality. Built to **Last**.

Streamline Solutions
VARIABLE SPEED CONVEYORS

MODELS
SC1248, SC1272, SC1848, SC1872, SC2430, SC2472

RELIABLE PRODUCT TRANSPORT
Streamline Solutions 'variable speed conveyors offer the quality that you have come to rely on from Streamline Solutions. The Streamline Solutions conveyors offer a reliable stand-alone product transport for primary or secondary product marking, and make a convenient add-on infeed or exit feed conveyor to existing case taping or shrink wrapping equipment.

DESIGNED FOR INK JET APPLICATIONS
Streamline Solutions' conveyor design is perfect for integration with ink jet printing equipment. Each conveyor comes pre-drilled in multiple locations to easily add printer and encoder mounting brackets. The smooth drive belt provides consistent speed for reliable, scannable barcoding and product transfer. Systems include a lower shelf with holes for cable management and provide storage for supplies such as spare printheads, printer and UV LED control boxes, spare ink, and more.

CONVENIENT PRODUCT TRANSPORT

Small footprint, seamless self-tracking belt, extrusion rail for mounting printer hardware, and magnetic mounted control box make the Streamline Solutions Conveyor Series an ideal solution for case coding and product transport.
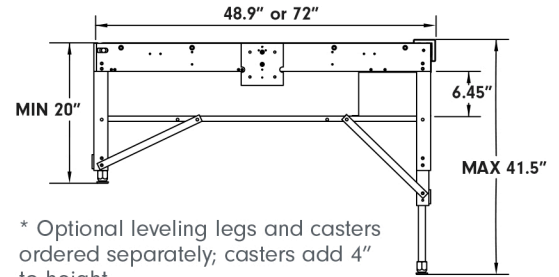

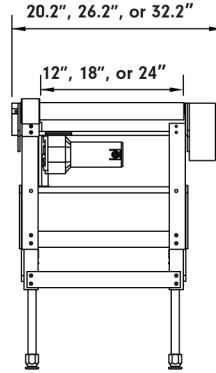

EASE OF USE
Streamline Solutions conveyors utilize an endless belt with self-tracking V-groove for consistent alignment. The variable speed drive motor is adjustable up to 100 fpm for a variety of applications. The unit also features a magnetic control box that can be mounted on either side of the conveyor. Conveyor legs are adjustable from 20" up to 33.5". The system is designed to keep maintenance to a minimum and provide a fast and efficient method of product transport.

INDUSTRIAL STRENGTH OPERATION
Heavy-duty motor, industrial strength drive belt, and a simple design make Streamline Solutions Series Conveyors a workhorse that will stand up to your toughest challenges. Each conveyor is made from ¼" steel that will withstand even the most rugged applications. A custom two part epoxy finish protects the machine from abusive conditions and ensures years of use.

THE RIGHT SOLUTION
Rugged design. Modular control. Simple operation. Your benefits go on and on. When it comes to industrial operation, rely on Streamline Solutions to provide the right solution for your product handling needs.

STREAMLINE SOLUTIONS™

Dimensions shown: 20.2", 26.2", or 32.2" | 12", 18", or 24" | MIN 20" | 48.9" or 72" | 6.45" | MAX 41.5"

* Optional leveling legs and casters ordered separately; casters add 4" to height.

1. Single or dual optional side rails are available for box or primary product guidance

2. Magnetic control box can be mounted on either side of conveyor

3. Shelf included for storage such as spare print heads, printer and UV LED control boxes, spare ink, and more

4. Included extrusion rail makes for easy for integration with ink jet printers and other equipment

CONVEYOR FEATURES

- Magnetic control box mounting
- Extrusion rail to easily mount ink jet printing systems and guide rails
- Pre-drilled hole for encoder mounting
- Shelf for various storage
- Small space-saving footprint
- Seamless self-tracking belt
- ¼" cold rolled steel
- Variable speed drive
- Optional guide rails available
- Safety cover over pinch points
- Smooth, consistent belt speed

CONVEYOR SPECIFICATIONS

Machinery Makeup	Industrial strength 12 gauge steel, powdered coated for durability
Variable Speed	Up to 100 fpm
Conveyor Height Adj. Legs and casters ordered separately	With 9" leveling legs: 20" – 33.5" (50.8cm – 85.1cm) With 9" legs and casters: 24" – 37.5" (61cm – 95.3cm) With 17" leveling legs: 28" – 41.5" (71.1cm – 105.4cm) With 17" legs and casters: 32" – 45.5" (81.2cm – 115.6cm)
Max Weight Capacity	SC1248, SC1848, SC2430, & SC2472 90 lbs. maximum weight SC1272, SC1872 100 lbs. maximum weight
Electrical Requirements	110V 5A Single Phase

MODEL	Length	Machine Width	Conveyor Width	Weight
SC1248	48.9"	20.2"	12"	160 lbs.
SC1272	72"	20.2"	12"	175 lbs.
SC1848	48.9"	26.2"	18"	175 lbs.
SC1872	72"	26.2"	18"	260 lbs.
SC2430	30"	32.2"	24"	220 lbs
SC2472	72"	32.2"	24"	300 lbs.

CONVEYOR OPTIONAL ACCESSORIES

Leveling Legs and Casters	Leveling legs and lockable casters for adjustable height and easy movement throughout the plant
Additional Printhead Mounting Plate	Predrilled to mount full family of Squid Ink Printing Systems
Guide Rails	Heavy-duty adjustable height and reach to align product for consistent print (sold separately per side)
E-Stop	Large safety mechanism to shut off conveyor immediately
